THE RIVER NEWS.

The Avalon leaves for Chattanooga at 4 o'clock this afternoon. She will leave here loaded flat.

The City of Clifton from St. Louis is due early tomorrow morning for Tennessee. Popular Captain Bob McCoy is in command.

The excursion season in the St. Louis and Tennessee river trade will be full ripe and ready to "pull off" by the 30th of this month.

The Tennessee is due this evening from Tennessee river and leaves on return trip next Saturday at 5 p. m.

The R. A. Speed came out of Tennessee river yesterday with a tow of ties.

The J. B. Finley breaks the record for the largest tow that ever was handled by a single towboat. There were fifty pieces, loaded with coal and six fuel barges. The Finley is bound for New Orleans, where the bulk of her immense tow will be delivered. Some of it will be dropped at several distributing points. She passed down yesterday and attracted great attention as the immense acreage of coal slowly floated past the city.

The John S. Hopkins arrived from Evansville on good time this morning and departed on return trip at 10 a. m. She had good trips in and out especially in passengers.

A Wheeling special to the Cincinnati Enquirer says: "Congress will be asked that a law be enacted to compel the secretary of war to formulate regulations which shall prohibit the operation of steamboats when the rivers are above the danger line. It is suggested that the engineers of the war department establish the limit above which river traffic shall be suspended, that notices be placed at wharfs during times of flood, warning steamboat masters of the stage of the river above and below, and the probable time at which the danger line will be passed at various points. The question of stopping steamboat traffic during floods has been discussed for years, and it is estimated that greater damage results from passing of half a dozen steamboats than from all other causes combined. One boat knocked over four houses on Wheeling Island with her waves at one passing, and similar cases are cited.

The river commenced falling here yesterday to the great relief of not only people of this city but all along the banks of the Ohio in the lowlands between here and Cairo. The farmers will be made happy, as the river will run out rapidly giving them an opportunity to put in their crops and replant again. The trouble is, the farmers in the bottom lands are always in too great a hurry to plant, as the middle of May is plenty early for bottom land planting.

The drummers are complaining greatly on account of having to go to Cairo by rail-run instead of

taking their old route on the Dick Fowler. It's a wonder that the "Kicker" of The Sunday Chat has not made a howl. But the inconvenience caused by the Dick's withdrawal was an unavoidable accident. However she will be ready for business again next Monday morning.

The City of Pittsburgh passed Louisville this morning en route for Memphis.

The City of Golconda, Captain O. Bauer in command, Clarence Coker in the office departed for Golconda at noon today with a nice trip.

The Lydia left for Tennessee river today for a tow of ties.

Healthy Old People

say the main thing to do is to keep the stomach, liver and bowels in order if you want to keep well and live long. Good physicians say the same thing, too. The remedy called

RIPANS TABLETS

while not mysterious or miraculous in its curative qualities, is a simple formula prescribed by the best physicians for disorders of the digestive organs. Just little Tablets, easy to take, easy to buy and quick to act. If your trouble is Dyspepsia, Biliousness, Headache, Dizziness, Constipation, Heartburn, and the like, no need of calling a physician. Ripans Tablets contain exactly what he would tell you to take. Permanent cure follows a fair trial. No uncertainty about it.

ONE GIVES RELIEF.

There is scarcely any condition of ill health that is not benefited by the operation of one of the R. P. A. S. Tablets, and the price, ten for five cents, does not show how from any home or justify any one in denying the fact that they really cure. A family bottle containing ten tablets is sold for five cents. For children ten tablets should be taken. For five cents are recommended. For sale by druggists.
